# 1.) Description of Services to be Performed

## Work Statement and Specifications

This section of the bid package details the services and products to be acquired. Please note that the contract process also includes general New York State administrative terms and conditions, as well as terms and conditions required by New York State law. These terms and conditions address issues related to both the submission of bids and any subsequent contract; they are included separately in this bid package for your information. Please review all terms and conditions.

## Background

### General Scope of Services

The New York State Education Department's Office of State Review (OSR) assists the New York State Review Officer (SRO) in reviewing appealed decisions of impartial hearing officers concerning the identification, evaluation, program, or placement of children who have, or are suspected of having, an educational disability. The OSR is seeking highly qualified individuals to carry out specific tasks relating to appealed decisions of impartial hearing officers. These qualified individuals are needed to review pleadings, argument, evidence and impartial hearing officer decisions and prepare draft recommendations for the SRO.

Duties of contractor will include, but are not limited to, the following:

- Review pleadings, argument, evidence and impartial hearing officer decision; prepare draft recommendations with factual and legal accuracy, thoroughness, consistency, and quality and submit such recommendations in the form and format provided by the SRO;
- Manage case assignments to ensure completion of quality decisions within the designated time lines; and
- Maintain a high degree of expertise in special education law, and demonstrate a high level of proficiency in legal research and legal writing.

All material and work product belongs to the agency (NYSED), which is charged with carrying out a quasi-judicial proceeding and are therefore confidential and exempt from disclosure under FOIL. The contractor may not disclose materials or work product to any individual other than those employed in Office of State Review. As the materials in the proceedings contain/constitute copies of "educational records," all materials and work product in connection with the OSR must also be kept confidential under Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g). Furthermore, the Individuals with Disabilities Education Act (IDEA) requires NYSED, in accordance with FERPA, to "ensure the protection of the confidentiality of any personally identifiable data, information and records" that it collects or maintains (20 U.S.C. § 1417[c]; see also 20 U.S.C. § 1412[a][8]; 34 CFR 99.3; 300.623[a]; 8 NYCRR 200.5[j][3][x]; see also Letter to Anderson, 48 IDELR 105 [USDOE Off. Spec. Educ. Pol. 2006]) Moreover, all due process proceedings held pursuant to the IDEA are closed to the public and thus confidential unless specifically requested otherwise by a student's parent (34 CFR 300.512[c][2]; 8 NYCRR 200.5[j][3][x]).

A contractor should be prepared to receive materials for review primarily via electronic mail to a private email address that is password protected address (i.e. not shared with any other individual).

Materials will be provided in adobe PDF and/or MS Word format. Contractors must send back a draft decision via electronic mail in MS Word format. The contractor should also have the technical ability to access secure cloud storage services via the internet if NYSED elects to use such a service.

The contractor is responsible to ensure that third parties cannot access any material or work product either physically (i.e. locked drawer/office) and/or electronically (i.e. password protected files/folders). All materials provided to the contractor by Office of State Review and all draft and final versions of any work product must be securely destroyed. However, if a contractor cannot securely destroy any material, the contractor must send them back to OSR at contractor's expense.

If awarded a contract, contractors are required to sign a confidentiality agreement, the form of which is attached to this RFQ as Attachment 1.

No travel is required; no travel costs are reimbursable.

All complete proposals received by the deadline will be reviewed using the following criteria and ratings. Applicants must ensure that all components of this application request have been addressed,

the required number of copies has been provided, all forms and assurances have been completed, and the original signatures are included as required.

1. NYSED will conduct an evaluation of all bidders written applications. The technical proposal will be scored on a total possible score of thirty (30) points. Proposals receiving at least seventy percent (70%) of the points available for the technical proposal (an average of at least 21 out of 30 points) will move on to the next step of the process for a telephone interview. Proposals with an average score of less than 21 points in the written application section will be eliminated from further consideration under this RFQ.
2. The bidder(s) with the highest passing written score will be invited first to a telephone interview, then the second highest score and so on until up to 10 possible awardees are determined according to paragraph 5. After each interview, the technical review committee will evaluate the bidder's interview and determine a score of up to 10 points. A minimum of an average of 5 interview points are required to be considered for an award.
3. The interviews will last approximately thirty minutes. Applicants will be asked to make a brief presentation (no more than 10 minutes) elaborating on the qualifications and experience provided in Technical Proposal question #2. Applicants will be provided with a hypothetical example of a typical appeal and asked to describe steps they would take in order to conduct the review. Throughout the interview, members of the evaluation committee will be free to ask questions of the applicant.
4. After the interview, the technical review committee will meet as a group and discuss the strengths and weaknesses of the bidder's presentation. They will then submit individual scores.
5. Up to 10 awardees may be selected using this method. The interview process will cease when it is no longer possible for the next highest scoring bidder to score high enough on the interview to receive an award.

### **3. ) Method of Award and Terms and Conditions**

This section begins with the "method of award," or the criteria the agency will use to evaluate bids. This will be followed by various terms and conditions that reflect the specific needs of this project as well as New York State contract guidelines and requirements.

## **Post Selection Procedures**

Upon selection, the successful bidder(s) will receive a proposed contract from NYSED. All terms set forth in the selected bidder's technical proposal will be final. The contents of this RFQ, any subsequent correspondence during the proposal evaluation period, and such other stipulations as agreed upon may be made a part of the final contract prepared by NYSED. Successful bidders may be subject to audit and should ensure that adequate controls are in place to document the allowable activities.

## **Debriefing Procedures**

All unsuccessful bidders may request a debriefing within five (5) business days of receiving notice from NYSED. Bidders may request a debriefing letter on the selection process regarding this RFQ by submitting a written request to the Fiscal Contact person at:

Counsel's Office will provide the bidder with written notification of the review team's decision within seven (7) business days of the receipt of the protest. The original protest and decision will be filed with OSC when the contract procurement record is submitted for approval and CAU will advise OSC that a protest was filed.

4. The NYSED Contract Administration Unit (CAU) may summarily deny a protest that fails to contain specific factual or legal allegations, or where the protest only raises issues of law that have already been decided by the courts.

## **Vendor Responsibility**

State law requires that the award of state contracts be made to responsible vendors. Before an award is made to a not-for-profit entity, a for-profit entity, a private college or university or a public entity not exempted by the Office of the State Comptroller, NYSED must make an affirmative responsibility determination. The factors to be considered include: legal authority to do business in New York State; integrity; capacity- both organizational and financial; and previous performance. Before an award of \$100,000 or greater can be made to a covered entity, the entity will be required to complete and submit a Vendor Responsibility Questionnaire. School districts, Charter Schools, BOCES, public colleges and universities, public libraries, and the Research Foundation for SUNY and CUNY are some of the exempt entities. For a complete list, see:

[http://www.osc.state.ny.us/vendrep/resources\\_docreq\\_agency.htm](http://www.osc.state.ny.us/vendrep/resources_docreq_agency.htm).

NYSED recommends that vendors file the required Vendor Responsibility Questionnaire online via the New York State VendRep System. To enroll in and use the New York State VendRep System, see the VendRep System Instructions available at

[http://www.osc.state.ny.us/vendrep/vendor\\_index.htm](http://www.osc.state.ny.us/vendrep/vendor_index.htm) or go directly to the VendRep System online at <https://portal.osc.state.ny.us>.

Vendors must provide their New York State Vendor Identification Number when enrolling. To request assignment of a Vendor ID or for VendRep System assistance, contact the Office of the State Comptroller's Help Desk at 866-370-4672 or 518-408-4672 or by email at [ciohelpdesk@osc.state.ny.us](mailto:ciohelpdesk@osc.state.ny.us).

Vendors opting to complete and submit a paper questionnaire can obtain the appropriate questionnaire from the VendRep website [www.osc.state.ny.us/vendrep](http://www.osc.state.ny.us/vendrep) or may contact NYSED or the Office of the State Comptroller's Help Desk for a copy of the paper form.

*Subcontractors:  
Not allowed for this RFQ.*

**Note: Bidders must acknowledge their method of filing their questionnaire by checking the appropriate box on the Response Sheet for Bids (5. Submission Documents).**

## **PROCUREMENT LOBBYING LAW**

Pursuant to State Finance Law §§139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between the New York State Education Department ("NYSED") and an Offerer/bidder during the procurement process. An Offerer/bidder is restricted from making contacts from the earliest notice of the solicitation through final award and approval of the Procurement Contract by NYSED and, if applicable, Office of the State Comptroller ("restricted period") to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law §139-j(3)(a). Designated staff, as of the date hereof, is identified below. NYSED employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Offerer/bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a four year period, the Offerer/bidder is debarred from obtaining governmental Procurement Contracts. Further information about these requirements can be found at the following web link: <http://www.oms.nysed.gov/fiscal/cau/PLL/procurementpolicy.htm>.

## **Consultant Disclosure Legislation**

Effective June 19, 2006, new reporting requirements became effective for State contractors, as the result of an amendment to State Finance Law §§ 8 and 163. As a result of these changes in law, State contractors will be required to disclose, by employment category, the number of persons employed to provide services under a contract for consulting services, the number of hours worked and the amount paid to the contractor by the State as compensation for work performed by these

employees. This will include information on any persons working under any subcontracts with the State contractor.

Chapter 10 of the Laws of 2006 expands the definition of contracts for consulting services to include any contract entered into by a State agency for analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal, or similar services.

To enable compliance with the law, State agencies must include in the Procurement Record submitted to OSC for new consultant contracts, the State Consultant Services Contractor's Planned Employment From Contract Start Date Through the End of the Contract Term ([Form A](#) - see link below). The completed form must include information for all employees providing service under the contract whether employed by the contractor or a subcontractor. Please note that the form captures the necessary planned employment information ***prospectively from the start date of the contract through the end of the contract term.***

Form A: <http://www.osc.state.ny.us/agencies/gbull/g226forma.doc>

Chapter 10 of the Laws of 2006 mandates that State agencies must now require State contractors to **report annually** on the employment information described above, including work performed by subcontractors. The legislation mandates that the annual employment reports are to be submitted by the contractor to the contracting agency, to OSC and to the Department of Civil Service. State Consultant Services Contractor's Annual Employment Report ([Form B](#) - see link below) is to be used to report the information for all procurement contracts above \$15,000. Please note that, in contrast to the information to be included on Form A, which is a one-time report of planned employment data for the entire term of a consulting contract on a projected basis, ***Form B will be submitted each year the contract is in effect and will capture historical information, detailing actual employment data for the most recently concluded State fiscal year (April 1 – March 31).***

Form B: <http://www.osc.state.ny.us/agencies/gbull/g226formb.doc>

For more information, please visit the OSC web site for G-Bulletin 226 at: <http://www.osc.state.ny.us/agencies/gbull/g-226.htm>.

### **Sales and Compensating Use Tax Certification (Tax Law, § 5-a)**

Tax Law § 5-a requires contractors awarded State contracts for commodities or services valued at more than \$100,000 over the full term of the contract to certify to the New York State Department of Taxation and Finance ("DTF") that they are registered to collect New York State and local sales and compensating use taxes, if they made sales delivered by any means to locations within New York State of tangible personal property or taxable services having a cumulative value in excess of \$300,000, measured over a specific period of time. The registration requirement applies if the contractor made a cumulative total of more than \$300,000 in sales during the four completed sales tax quarters which immediately precede the sales tax quarter in which the certification is made. Sales tax quarters are June – August, September – November, December – February, and March – May. In addition, contractors must certify to DTF that each affiliate and subcontractor of such contractor exceeding such sales threshold during a specified period is registered to collect New York State and local sales and compensating use taxes. Contractors must also certify to the procuring State entity that they filed the certification with the DTF and that it is correct and complete.

The selected bidder must file a properly completed Form ST-220-CA (with OSC as the Contracting Agency within 48 hours of notification of selection for award) and Form ST-220-TD (with the DTF). These requirements must be met before a contract may take effect. Further information can be found at the New York State Department of Taxation and Finance's website, available through this link: [www.tax.ny.gov/pdf/publications/sales/pub223.pdf](http://www.tax.ny.gov/pdf/publications/sales/pub223.pdf). **APPENDIX A**  
**STANDARD CLAUSES FOR NYS CONTRACTS**

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

**1. EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

**2. NON-ASSIGNMENT CLAUSE.**In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

**3. COMPTROLLER'S APPROVAL.** In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract,

the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

**4. WORKERS' COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

**5. NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a)

discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

**6. WAGE AND HOURS PROVISIONS.** If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

**7. NON-COLLUSIVE BIDDING CERTIFICATION.** In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

**8. INTERNATIONAL BOYCOTT PROHIBITION.** In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any

substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

**9. SET-OFF RIGHTS.** The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

**10. RECORDS.** The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of

inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

**11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.**

(a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

**12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.**

In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the

foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a", "b", and "c" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

**13. CONFLICTING TERMS.** In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

**14. GOVERNING LAW.** This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

**15. LATE PAYMENT.** Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

**16. NO ARBITRATION.** Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

**17. SERVICE OF PROCESS.** In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified

mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

**18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS.** The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

MACBRIDE FAIR EMPLOYMENT PRINCIPLES.** In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

**21. RECIPROcity AND SANCTIONS PROVISIONS.**

Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 15, 2002, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii. Contact NYS Department of Economic Development for a current list of jurisdictions subject to this provision.

If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4-g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the

contract, the Department of Civil Service and the State Comptroller.

**24. PROCUREMENT LOBBYING.** To the extent this agreement is a "procurement contract" as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

**25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.**

To the extent this agreement is a contract as defined by Tax Law Section 5-a, if the contractor fails to make the certification required by Tax Law Section 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

**26. IRAN DIVESTMENT ACT.** By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("Prohibited Entities List") posted at:

Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. - B. Variations in each budget category not exceeding ten percent (10%) of such category may be approved by the Commissioner of Education. Any such variations shall be reflected in the final expenditure report and filed in the Office of the State Comptroller. Furthermore, the contractor warrants that all project funds allocated to the proposed budget for Employee Benefits, represent costs for employees of the contractor only and that such funds will not be expended on any individual classified as an independent contractor.

### Terminations

- A. The State may terminate this Agreement without cause by thirty (30) days prior written notice. In the event of such termination, the parties will adjust the accounts due and the Contractor will undertake no additional expenditures not already required. Upon any such termination, the parties shall endeavor in an orderly manner to wind down activities hereunder.
- B. SED reserves the right to terminate this Agreement in the event it is found that the certification by the Contractor in accordance with New York State Finance Law §139-k was intentionally false or intentionally incomplete. Upon such finding, SED may exercise its termination right by providing written notification to the Contractor in accordance with the written notification terms of this Agreement.

### Responsibility Provisions

#### A. General Responsibility Language

The Contractor shall at all times during the Contract term remain responsible. The Contractor agrees, if requested by the Commissioner of Education or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

#### B. Suspension of Work (for Non-Responsibility)

The Commissioner of Education or his or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of Education or his or her designee issues a written notice authorizing a resumption of performance under the Contract.

#### C. Termination (for Non-Responsibility)

Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate SED officials or staff, the Contract may be terminated by the Commissioner of Education or his or her designee at the Contractor's expense where the Contractor is determined by the Commissioner of Education or his or her designee to be non-responsible. In such event, the Commissioner or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

## Property

- A. The Contractor shall maintain a complete inventory of all realty, equipment and other non-expendable assets including, but not limited to, books, paintings, artifacts, rare coins, antiques and other collectible items purchased, improved or developed under this agreement. The Contractor shall submit a copy of the inventory in a form identical to or essentially similar to, Exhibit A annexed hereto. If the Contractor wishes to continue to use any of the non-expendable assets purchased with the funds available under this agreement upon the termination of this agreement, it shall request permission from the State in writing for such continued use within twenty-five (25) days of the termination of this agreement. The Contractor's request shall itemize the non-expendable assets for which continued use is sought. The State may accept, reject or accept in part such request. If the request for continued use is allowed to any degree, it shall be conditioned upon the fact that said equipment shall continue to be used in accordance with the purposes of this agreement.

If after the State grants permission to the Contractor for "continued use" as set forth above the non-expendable assets are not used in accordance with the purposes of this agreement, the State in its discretion may elect to take title to such assets and may assert its right to possession upon thirty (30) days prior written notice by certified mail to the Contractor.
